**DECLARATION OF DIANA MCDONALD
PURSUANT TO 37 CFR 1.132**

SIR:

I, DIANA MCDONALD, hereby declare:

1. From July 1990, to date I have been the receptionist for the law firm of SPRUNG HORN KRAMER & WOODS (the firm) whose main office is located at 660 White Plains Road, Tarrytown, New York (formerly of 1140 Avenue of the Americas, New York, New York 10036);

2. When correspondence is mailed from our office to the U.S. Patent and Trademark Office, a return postcard listing the items sent is usually attached to the correspondence. If we do not receive the postcard back within a given period of time, then a telephone call is usually placed to the U.S. Patent and Trademark Office to ascertain whether the correspondence was, in fact, received. It falls upon me, as

the receptionist, to make the telephone calls to the U.S. Patent and Trademark Office to ascertain whether the correspondence was, in fact, received;

3. Attached hereto as Exhibit 1 is a list that I was given approximately the beginning of November 1993 listing those cases in which correspondence had been mailed to the U.S. Patent and Trademark Office, but for which a return postcard had not yet been received. The second entry relates to the application designated as our Trick 201. According to the record, the correspondence sent included a communication regarding the filing of a declaration and a verified statement; and

4. Attached hereto as Exhibit 2 is a copy of a page from my telephone log. It should be clear from the log that on November 16, 1993, I telephoned Application Branch and was informed that "they rec'd it". After making this telephone call, I drew a line through the line beginning "Trick 201" on Exhibit 1 and wrote "Received" above the line to indicate that the communication regarding the filing of a declaration and a verified statement was, in fact, received by the U.S. Patent and Trademark Office.

5. I hereby declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

**DECLARATION OF NANCI MANFREDI
PURSUANT TO 37 CFR 1.132**

SIR:

I, NANCI MANFREDI, hereby declare:

1. From May 29, 1985, to date I have been in charge of the docket department of the law firm of SPRUNG HORN KRAMER & WOODS (the firm) whose main office is located at 660 White Plains Road, Tarrytown, New York (formerly of 1140 Avenue of the Americas, New York, New York 10036). Since April 19, 1993, I have been the Office Manager;

2. My duties include overseeing the mail function, i.e., monitoring the receipt from and mailing to the U.S. Patent and Trademark Office of correspondence

relating to applications prosecuted by the firm;

3. During the period (hereinafter "this period") from September to November 1993, the mail function was mainly performed by Madalyn Prevete, who was under my intimate supervision but is no longer employed by the firm;

4. Ms. Prevete's duties during this period included mailing of correspondence to the U.S. Patent and Trademark Office. The mailing of all such correspondence was noted in a "mail book", which was arranged by date. On each date, she would briefly indicate what was mailed in connection with a given application or patent, which would be designated in the mail book by our internal docket number;

5. Attached hereto as Exhibit 1 is a copy of page number 0948 of the mail book dedicated exclusively to mail sent to the Commissioner of Patents ("COP"). I recognize the handwriting associated with the entry designated "Trick 201" to be that of Ms. Prevete. The page indicates that on September 24, 1993, Ms. Prevete mailed to the Commissioner of Patents a Communication Regarding Filing of Declaration and executed Declaration and a Verified Statement Claiming Small Entity Status. I have checked and hereby confirm that the internal docket number "Trick 201" corresponds to Serial No. 08/100,019, which was filed on July 30, 1993; and

6. In view of 5, I conclude—with a reasonable degree of certainty—that the Communication Regarding Filing of Declaration, the declaration itself, and the Verified Statement Claiming Small Entity Status were mailed to the Commissioner of Patents on September 24, 1993.

7. I hereby declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

**DECLARATION OF KURT BRISCOE
PURSUANT TO 37 CFR 1.132**

SIR:

I, KURT BRISCOE, hereby declare:

1. From September 1988 to date, I have been an associate attorney in the law firm of SPRUNG HORN KRAMER & WOODS (the firm) whose main office is located at 660 White Plains Road, Tarrytown, New York (formerly of 1140 Avenue of the Americas, New York, New York 10036);
2. On June 14, 1994, in connection with the above-identified application, I sent a petition and a letter to Ms. Madalyn Prevete, who was formerly employed by the firm. The above-identified application apparently went abandoned because

certain correspondence, which was mailed from our office, was not received by the U.S. Patent and Trademark Office. Since Ms. Prevete was involved in the mailing of the correspondence, it was my opinion that a declaration from Ms. Prevete would likely be helpful in order to get the holding of abandonment withdrawn. Copies of the letter and the petition are attached hereto as Exhibits 1 and 2;

3. The letter and the petition were sent by Express Mail along with a postage prepaid return Express Mail envelope. Accordingly, I fully expected that Ms. Prevete would receive the letter and petition on June 15th, review and sign the petition and, then, return the executed petition to me in the prepaid envelope provided so that I received it on June 16th or 17th. However, this did not happen. Approximately, June 20, 1994, I instructed our receptionist that she should telephone Ms. Prevete at home to ascertain whether Ms. Prevete had received the letter and petition that I had sent her. Our receptionist informed me that she was unable to reach Ms. Prevete. I then informed the receptionist that she should telephone Ms. Prevete every day until the receptionist reached Ms. Prevete. This continued for a few days until Ms. Prevete's roommate answered the telephone on one occasion and informed us that the best time to reach Ms. Prevete was after 6 p.m. Since this time was after normal business hours, I took it upon myself to reach Ms. Prevete. I telephoned nightly from June 27-July 3, but was unable to reach anyone. Then on July 4th, I succeeded in reaching Ms. Prevete. Ms. Prevete answered the telephone and I recognized her voice. Unfortunately, I hesitated and asked to speak to Madalyn. Ms. Prevete told me to hold on, then some time passed and, finally, another woman came to the phone. The other woman was apparently Ms. Prevete's roommate. The roommate indicated that Ms. Prevete was not home, but that she would telephone me at work the next day. Ms. Prevete did not

telephone as promised. Accordingly, on July 12, 1994, I again telephoned Ms. Prevete at home. However, this time when she answered, I spoke to her in terms that made it clear that I knew that I was speaking to her. I asked her whether she had received the letter and the petition and she indicated that she had. I then asked her whether she would sign the petition and she indicated that she would not; and

4. Ms. Prevete left the firm under good circumstances, but the question later arose as to whether she was entitled to unemployment benefits. Apparently, she was denied these benefits, in part due to some information provided the authorities by the firm. As a result, she is apparently resentful of the firm and she indicated to me that this was the main factor in her decision not to execute the petition.

5. I hereby declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

U.S. Patent Application
Serial No. 08/100,019
Our Ref: Trick 201-LH

Dear Madalyn:

I sincerely hope that all is well with you. We have run into problems with the above-identified applications and need your help. Bayer 8056.1 went abandoned because we never received a notice from the Patent Office. Trick 201 went abandoned because the Patent Office never received certain papers we mailed. Although we were not at fault in either case, we must still file petitions to revive these applications. For those petitions, we will need a declaration from you because you were handling the mail in each instance.

Attached are two petitions. Please review them carefully, sign and date the last page of each and then return the signed petitions to us in the enclosed pre-paid Express Mail envelope. If you want to make changes to the petitions, simply make the changes in pen directly on the petitions and then put your initials and the date in the margin adjacent the each change. Then sign and date the last page exactly as indicated above and return the petitions to us.

We are under some time pressure. Accordingly, I would appreciate it if you would give these matters your immediate attention.
